SVENSKA GALLERI FÖRBUNDET

Svenska Galleriförbundet är ett rikstäckande förbund för konstgallerier i Sverige. Förbundet har som uppgift att främja galleriernas roll på konstscenen och att bevaka medlemmarnas gemensamma intressen i kulturpolitiska frågor. Vidare arbetar förbundet aktivt med att informera om galleriernas arbete och strävan att skapa och utveckla en marknad för såväl unga, oetablerade som redan etablerade konstnärer på en svensk eller internationell konstscen. Få konstnärer eller konstnärsgupper har nått erkännande utan att representeras eller stödjas av ett galleri. Utställningar på museer och konsthallar skulle försvåras betydligt utan det långsiktiga arbete som ett galleri kontinuerligt gör för att lyfta fram enskilda konstnärskap.

Svenska Galleriförbundet arbetar för att konstmarknaden ska präglas av ett långsiktigt tänkande och värna om både det konstnärliga och ekonomiska värdet. Medlemmar i Svenska Galleriförbundet tillhandahåller information om konstnärer och borgar för kvalitet i utställningsverksamhet och proveniens. I fokus står konstnärlig integritet, expertkunskap och engagemang.

Av medlemmar i Svenska Galleriförbundet krävs ett seriöst och förtroendefullt samarbete med utställande konstnärer i enlighet med de stadgar och normer som förbundet har upprättat. Detta innebär att:

- Galleriets huvudsakliga uppgift är att skapa en dynamisk plattform för att marknadsföra konst till en bred publik. Detta sker bland annat via en varierad utställningsverksamhet, men också via deltagande i konstmässor, samarbeten med museer och konsthallar såväl i Sverige som internationellt.
- Galleriet får inte debitera konstnären hyra eller garantibelopp. Grundprincipen skall vara att risken delas mellan konstnär och galleri.

Medlemmarna i Svenska Galleriförbundet kan ofta erbjuda kvällsvisningar för exempelvis konstföreningar som har svårt att besöka gallerier dagtid. Kontakta gallerierna direkt för förfrågan. Betalning för konstverk kan i vissa fall delas upp över en tidsperiod, eller skjutas till nästa budgetperiod. Överenskommelser sker direkt med det berörda galleriet.

För övrig information, vänligen gå in på Svenska Galleriförbundets hemsida; www.galleriforbundet.com.

Galleriförbundets medlemmar markeras i Konstkalendern med förbundets logotyp i miniatyr.

Swedish Art Gallery Association

Swedish Art Gallery Association is a nationwide association of art galleries in Sweden. The Association's mission is to promote the role of the gallery on the art scene and to monitor members' common interests in cultural issues. Furthermore the Association works actively to inform about the gallery and the work of creating and developing a market for both young, unestablished and established artists on a Swedish or international art scene. Few artists or groups of artists have achieved recognition without representation or supported by a gallery. Exhibitions in museums and art galleries were significantly more difficult without the long-term work as a gallery continuously doing to highlight individual artists.

Swedish Art Gallery Association works to the art market will be characterized by long-term thinking and safeguard both the artistic and economic value. Members of the Swedish Gallery Association provides information about artists and guarantees quality of exhibitions and provenance. The focus is on artistic integrity, expertise and commitment.

Members of the Swedish Art Gallery Association requires a serious and trustful cooperation with exhibiting artists in accordance with the statutes and standards the association has established. This means that:

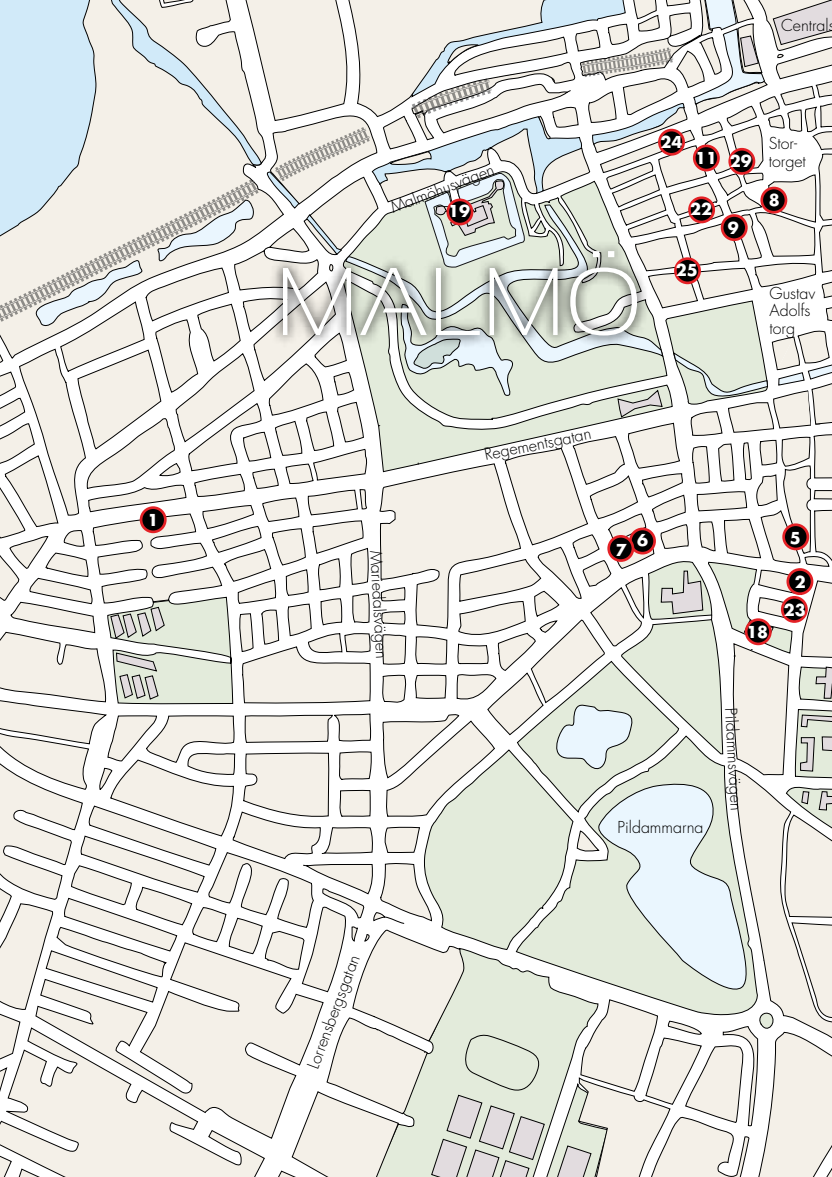

- The gallery's main task is to create a dynamic platform to promote art to a wide audience. This is done through a varied exhibition program, but also through participation in art fairs, partnerships with museums and art galleries both in Sweden and internationally.
- The Gallery shall not charge the artist hire or guarantee amount. The basic principle should be that the risk is shared between artist and gallery.

Members of the Swedish Gallery Association can often offer evening shows for example art associations who have difficulty visiting galleries daytime. Contact the galleries directly for inquiry. Payment for artwork can sometimes be divided over a period of time, or pushed to the next budget period. Arrangements are made directly with the relevant gallery.

For more information, please go to Swedish Gallery Association's website; www.galleriforbundet.com.

Swedish Art Gallery Association members are highlighted in Artguide Sweden with the association's logo in miniature.

6/6–11/1: HOME SICKNESS The exhibition Home Sickness deals with different aspects of domestic life through a presentation of works by thirty-three Swedish artists. Ellen Key (1849–1926) and her book Beauty for all (1899) has inspired the exhibition's theme assembling artists who were her friends alongside contemporary artists. For Key one of the most important places for social change is the home, thus arguing personal choices influence society on a deep level.

Welcome to the banker Caecilius Iucundus.
